I wonder what she works as~?
excited
The only thing that she's told me is that she doesn't just do sales...
I've got nothing better to do with my memories gone, so I've come to check out Mari-san's workplace in secret! ♥

Thanks for your support! Life brings something fresh and new every single day if you're an amnesiac!

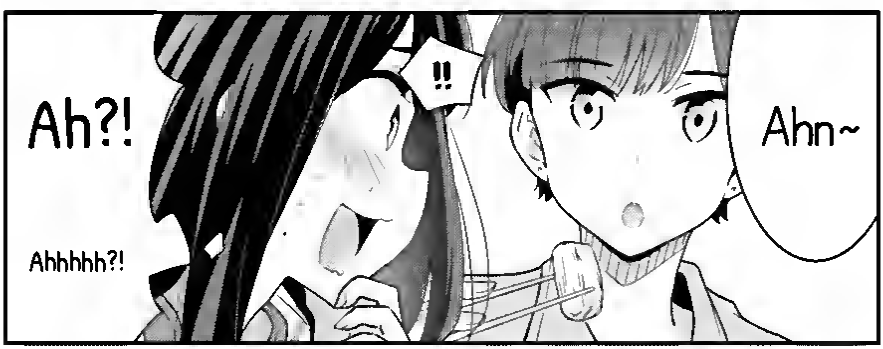
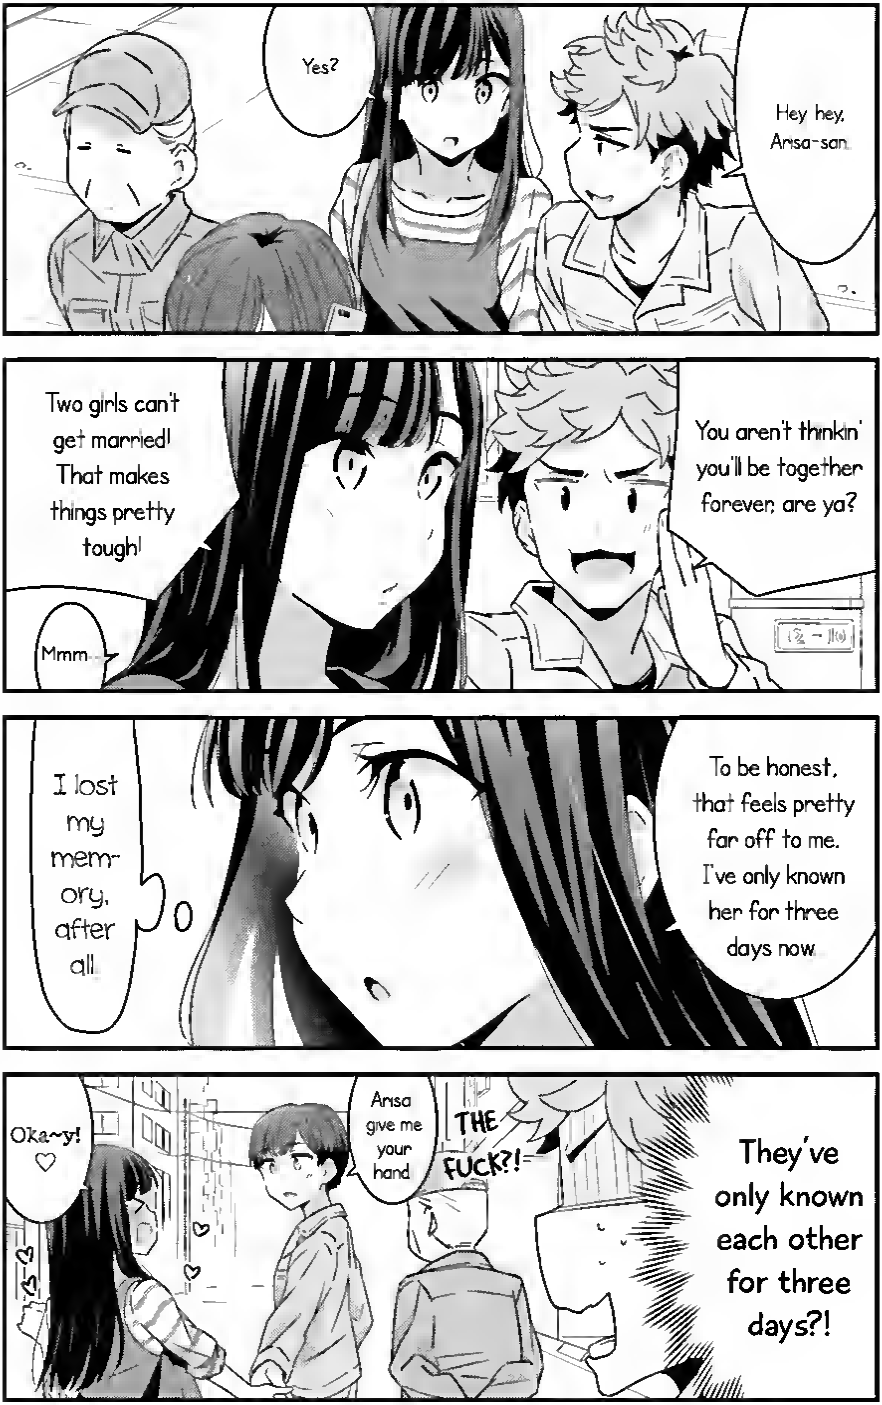
For real?! I'd love to come along!
Eh?!
You can come too, Arise-san.
It's about time for lunch. Would you like to go and get something to eat together?

TL Note
Eggs mixed with soup stock that are pan-fried and rolled up like a roll cake.





Yes?
Hey hey, Arisa-san
Two girls can't get married! That makes things pretty tough!
Mmm...
You aren't thinkin' you'll be together forever, are ya?
I lost my memory, after all.
To be honest, that feels pretty far off to me. I've only known her for three days now.
Oka~y! ♡

Uh, Okay!
Come with me for a little bit, Arisa.

This is the first time I've ever told anyone about you, so...
I was actually really scared...
Will you hug me as tight as you can...?
It'll be fine...

I was wrong. There's only one person who can make Mari-san look like that...
You win, Arisa!
